## PETITION: Pass the Making Ontario Open for Business Act

### TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

**Whereas**, unnecessary regulations are squeezing businesses in every economic sector, and driving jobs and investment out of Ontario.

**Whereas**, red tape is costing employers' time, money and resources that they would rather invest in growing their business, creating good jobs, and launching innovative products and services that will improve people's lives.

**Whereas**, the real cost of red tape in the businesses that are forced to close their doors, the job-creating investments that we scare away or in the workers who are forced leave Ontario in order to find work.

**We the undersigned petition the Legislative Assemble to:** Pass the *Making Ontario Open for Business Act* to build prosperity, put Ontario back on track as a growth leader in North America and restore our province to its rightful place as the economic engine of Canada.
