

**PETITION**

**To the Legislative Assembly of Ontario:**

**Whereas** a report from Ontario’s Auditor General on the province’s air ambulance service Ornge found a web of questionable financial deals where tens of millions of taxpayers dollars have been wasted and public safety compromised;

**Whereas** Ornge officials created a “mini conglomerate” of private entities that enriched former senior officers and left taxpayers on the hook for \$300-million in debt;

**Whereas** Government funding for Ornge climbed 20 per cent to \$700 million, while the number of patients it airlifted actually declined;

**Whereas** a subsidiary of Ornge bought the head office building in Mississauga for just over \$15-million and then leased it back to Ornge at a rate 40 per cent higher than fair market rent;

**Whereas** the Liberal Minister of Health completely failed in her duty to provide proper oversight of Ornge;

**Whereas** this latest scandal follows the eHealth boondoggle where \$2 billion in health dollars were wasted;

**We** the undersigned petition the Legislative Assembly of Ontario as follows:

**The Government of Ontario immediately appoint a special all-party Select Committee to investigate the scandals surrounding Ornge.**
